# Energy Supply TWG Teleconference Meeting #3

June 18, 2007

WA Departments of Ecology & Community Trade & Economic  
Development

Center for Climate Strategies

Ross & Associates

# Today's Agenda

- Roll call
- Review and approval of TWG Call #2 Summary
- Report on June 5 CAT Meeting
- Identification of priority options for analysis
  - Process
  - Compiled balloting results
  - Discussion/agreement on priority options
- GHG mitigation option template
- Development of straw design proposals
- Draft GHG emissions inventory & projections
- Next Steps for TWGs
- Agenda, Time and Date for Next Meeting

# Report on June 5 CAT Meeting

- Energy Supply Catalog approved by CAT with
  - A few added comments and elaborations (as indicated)
  - No new options were suggested

# Identifying Priorities for Analysis

- Catalog revised based on TWG and CAT input
- TWG members submit ballots indicating priorities and adding comments as needed, ballots compiled
  - See voting results memo (available just prior to meeting)
- TWG discusses ballot results as starting point to:
  - Further modify or consolidate (or split up) catalog items
  - Agree on ~10 priority options for further analysis
  - Retain catalog as source for additional options if/as needed later during the process
- CAT reviews/approves priorities at Aug 7 CAT meeting

# GHG Mitigation Option Template

- See handout
  - Provides consistent format for all TWGs to present information on priority policy options
  - Used in stepwise format to develop “straw proposals” for priority options

# Developing straw proposals

- TWGs develop draft “straw proposal” text for policy description and design
  - for discussion at 4<sup>th</sup> TWG meeting for some (or all) of the identified priority options
- TWG identifies volunteers to assist in developing straw proposals
  - working via email/phone over next 2-3 weeks
- (Time permitting) Begin discussion of policy description and design

# Update and comments on draft GHG emissions inventory & forecast

- Update on status (if relevant)
- TWG comments

# Next TWG Call

- Agenda:
  - Review initial straw design proposals for priority options
  - Review of initial quantitative assessment of “recent actions”
  - Further review of the emissions inventory and projection if/as needed
- Proposed date/time for Call #4:
  - Monday, July 30, 9:30 – 11:30 AM
